A Brief Report

Awareness Programme

Topic- Conservation of Energy

Date-10.04.2021

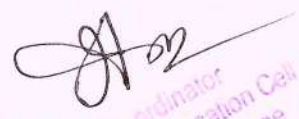

Venue- Nadir Mukh(Adopted Village)

An Awareness Programme is organized by Extension Education in collaboration with IQAC, Kharupetia College on 10.04.2021 on the topic- 'Conservation of Energy' in the village of Nadir mukh, Darrang (Assam). The main purpose of this programme is that conservation of energy is a fundamental principle in physics stating that energy cannot be created or destroyed, only transformed from one form to another. The Resource Person of this programme was Prof. Jyotish Saharia HoD, Philosophy, Kharupetia College. He delivered a speech that understanding energy conservation is crucial for developing sustainable practices. The villagers listened to him attentively and promise to follow his advice. They also expected such more programmes in their village from time to time. There are 91 participants present and make the fruitful. Everyone praised the programme and it ended with vote of thanks
